DEDICATED TO THE MOST HOLY ROSARY

GRAND KNIGHT Message

Worthy Brothers All,

A “gaggle” of geese, a “troupe” of monkeys, a “caravan” of camels, so what do you call a group of Knights? A “Knighthage” or a “Lance”.

I want to extend my heartfelt thanks to the “Lance” of past Grand Knights (4 in all) who lead the crew for the Volunteer Appreciation Breakfast on Sunday, September 8th. I returned from a long weekend away with family to much thanks and praise for a job well carried out. Keeping with the breakfast theme, our Clergy Appreciation breakfast celebrated by 60+ on Sunday, September 22nd, was another well executed event. All of our Priests and Deacons were in attendance. As I said in my presentation: Do not rest because you attended this event, rather let Father Miguel, Father Young, and Deacons Jim, Dave, and Trini know you are watching them and appreciate what they do for our parish. This recognition will allow them to walk with their head a little higher, speak with their voice a little louder, and preach with their message a little stronger. Our Knight’s council is so blessed by the support we receive from these godly men. As an incentive to attend the upcoming October business meeting on the 7th, Deacon Trini will be speaking about his journey to the Deaconate.

October will be another busy month with many opportunities for our Council to roll up our sleeves and pitch in. Look at the calendar below and plan to attend one or more events. I would like to see some of you that I have not seen in a while and meet some who I have not yet had the pleasure of meeting.

On Monday October 7th we celebrate the memorial of Our Lady of the Rosary.

The Rosary means “Crown of Roses.” Our Lady has revealed to several people that each time they say the Hail Mary, they give her a beautiful rose, and each complete rosary a crown of roses. What a wonderful thought! Who amongst us would not find immense joy in laying a crown of roses on our own mother’s head. The Holy Rosary is the perfect prayer because within it lies the story of our salvation. Each day, through prayer, we can drive away many dangers and evils. It may seem a repetitive prayer, but instead it is like two sweethearts who many times say to one another the words: “I love you.”

Brother Knights, you received a rosary during the ceremony that brought you into the order. You were instructed to always carry it. Let’s not forget

to remove it from our pocket and pray the rosary daily in honor of Our Lady of the Rosary.

VIVAT JESUS! Ed Udell, Grand Knight

DEPUTY GRAND KNIGHT NOTES

Worthy Brother Knights, October is another busy month for the Council. We will need the assistance of brother knights for the Outdoor Mass Picnic, Habitat for Humanity Lunches, and Recruitment Weekend. The Golf Event Committee is also meeting twice this month to plan the solicitation of corporate sponsors - please attend if you want to be on this committee. We are also having a Columbus Day social event to celebrate our namesake who gave voice to a generation of Catholics and helped pave a path for our diverse society. We will also be hearing from prospective charities we are considering donating to this fraternal year.

Council 9792 is once again sponsoring a team to participate in this year's Carry the Cross Challenge. The Carry the Cross Challenge is hosted by Transfiguration Council #10362 and is a fundraising event to support the seminarians of the Archdiocese of Atlanta, and will be held at Kennesaw Mountain on November 2nd. If you are interested in actually walking and carrying the cross, please let me know. I hope this year many more knights and family members come out to "walk with Christ." We are asking all of our brother knights to take part by donating any amount they can on our team's webpage. To view the "Climbing Crusaders" team webpage and make a donation by clicking on "donate" please click the following link:

PRAYER REQUEST will be listed for three (3) months unless extended or removed by request.

Abortion is not “Health Care”

You may have seen campaign advertisements on TV which talk about women’s health care being limited by laws against abortion. In fact, abortion has nothing to do with health care except when it goes wrong. The only intended result of an abortion is the death of a baby. Health care becomes necessary after undesirable side effects occur. There is no law limiting health care for treatment of a medical emergency caused by a pregnancy or an abortion.

If you research the internet for the question, “Is abortion medically necessary in some cases?” you will find a wealth of opinions from the usual suspects: Planned Parenthood; Amnesty International; Centers for Disease Control; World Health Organization; and the list goes on. Most of these organizations have a vested interest in the reduction of non-white populations (“useless eaters” per Margaret Sanger herself) throughout the world. Some blatantly tell us that women cannot be happy unless they have the option to kill their own children. This, of course, gives away the origin of the whole war against humanity. The devil hates human kind and wants only to see us all dead.

So far we have done a great job of cooperating with the demonic command through wars, exterminations, and abortions. (Is 65 million

enough?). Remember that the Chosen People began to sacrifice their own children like their pagan neighbors so that could lead happy lives. They were punished as a nation, both good and bad alike.

Has our nation come to that point?

VIVAT JESUS! *Peter Badolato, Pro Life Director*

40 Days for Life Current Statistics:

- ✓ 24,884 Lives saved since 2007
- ✓ 156 Abortion centers closed
- ✓ 263 Abortion workers quit
- ✓ Marietta 40 Days for Life / 365 has 21 lives saved so far this year.

The **40 Days for Life Fall Kickoff** was held on September 10th at Saint Catherine of Siena Catholic Church, 1618 King Ben Road Kennesaw, GA 30144. The keynote speaker was Dr. John Bruchalski author of the book ‘Two Patients, My Conversion from Abortion to Life-Affirming Medicine’.

What a fantastic speaker and the content of his speech were outstanding.

We were also honored to have Rich Owens recipient of the 2023 Sue Thayer Leader of the year award. He gave a very energizing speech on “Truth” - “As a sidewalk counselor how to bring Truth about abortion to Planned Parenthood clients”.

The Fall Campaign runs September 25th thru November 3rd in 703 cities. This will be the largest campaign ever.

On the **National Day of Remembrance for Aborted Children** on Saturday September 14, we visited the burial places of the unborn victims of abortion and other memorial sites dedicated to them. St. Joseph Catholic Church has applied to be included on the National Registry. A rosary was held at St. Joseph Catholic Church after the 8:00 am Mass.

Every October, the Catholic Church in the United States celebrates the Respect Life Month on the first Sunday of October. As Catholics, we are called to cherish, defend, and protect those who are most vulnerable, from the beginning to the end of their lives, and at every point in between. During

October, the Church asks us to reflect more deeply on the dignity of every human life. In memory of the 1.8 million babies killed each year by abortion there will be 100 crosses on the front lawn of the church property. We refer to this as the Cemetery of the Innocents.

Please consider spending 60 minutes in prayer outside of Planned Parenthood. You have no idea of the impact that is had when people see peaceful, prayerful people holding signs to support life and end abortion. Please contact me (678-641-8694) or Peter Badolato (404-217-1147) and we will spend the time with you.

There will be a rosary held at Holy Family on Friday, October 11th at 12:10pm on the front lawn of the Church in honor of the sixth apparition of Our Lady of Fatima.

VIVAT JESUS! Dave Snyder

Brother Knights, at our October business meeting, Deacon Trini will give us a spiritual talk. I am looking forward to seeing all of you at the meeting and hearing Deacon Trini talk.

VIVAT JESUS, Brother Carl Swanson, Lecturer

Catholics for Habitat (C4H) began its 2024 build on September 7th. The day started with a ceremony recognizing C4H for its 50th build. Jessica Gill, CEO for Northwest Metro Habitat for Humanity was there to recognize the coalition of six parishes for its contributions.

On September 7th, we raised the exterior walls and on September 14th, we raised the interior walls wrapped the house and installed the windows. There are still a volunteer slots available on October 5th, 12th, 17th (a Thursday), 26th, November 2nd

and 9th. Council 9792 will be providing lunch for 45 hungry workers on October 12th.

If interested in participating but not on my list, email me at isgaducatiisti@bellsouth.net. I will add you to the list and send you this year's sign-up instructions.
